THE BRAND

KING OF DECOR

Bianca, the flagship brand of Mangal Exports, has emerged a prominent player in the Indian home decor space since 2008. With a distinct design philosophy that represents a perfect blend between western trends and eastern artistry.

A trend setter in the true sense, Bianca has re-defined the dynamics of the textile accessories landscape in India within the shortest possible time span, and is now poised to expand its geographical presence beyond the boundaries of convention.

Bianca's reputation for premium products, quality finish, excellent variety, competitive price and timely delivery is backed by solid infrastructure and nationwide network.

With an astounding variety, our massive product range includes something that appeals to the most discerning eye.

Mangal Exports stands as one of India's most formidable export houses and a premier manufacturer of home textile and accessories, since the year 1980. Mangal Exports has pioneered the field of home textile and accessories and has been defining new trends in the ethnic home decor segment from time to time. The company boasts of having catered to over a number of satisfied customers from various countries across the globe.

THE COMPANY

Vision
"To manifest sustainability and scalability at all times, with utmost priority being laid to the legacy, quality orientation and customer value proposition of the brand, through an approach that is scientific and systems driven, yet complemented by belief, conviction and the human touch."

Mission
"To be perceived, accepted, appreciated and preferred by individuals and institutions in India and abroad as a genuine and credible provider of ethnic, home and fashion accessories, with demonstrational design leadership and product differentiation."
